## A Few Tips:

- When you register, you will not be asked for your banking information at that time. When you decide to purchase an item you will be inputting your bank information after you select "add to cart."
- You may see that the "find student" has a box checked for the part that refers to the student's number. If you click on the box to "uncheck" it, then you can do the search by name, rather than by number.
- When you see part of a description of an item for sale or activity, click on "more" to see the rest of the information.
